ANNOUNCEMENTS

CTELT/Learning Technology Videos

If your course has links to video content that was created for you by CTEL please read further.

Attention faculty: If any of your courses have links to video content that was created for you by CTEL (these videos might have also been delivered via DVD), there is a chance that the link to these videos might need to be updated.

The issue occurred when a server was decommissioned that contained MANY videos, spanning across several departments. All of these videos have now been migrated to an online video storage system.

We recommend checking the Blackboard links all of your videos that were created for you and are in courses that are currently 'live'. If you encounter a video that is no longer working, please send the following information to nriedel@fhsu.edu:

- Your Name
- Video Titles
- Your Department Name and
- Course Title

We will replace the links to your videos as soon as we can.

-Nathan Riedel, Learning Media Coordinator

Victor E Garden Work Evening - Food & Garden Club

The Food & Garden Club is meeting every Monday and Thursday evenings at 5pm in the Victor E Garden (located next to the Robbins Center) during the summer, unless it is raining/storming.

These work evenings are open to everyone, not just club members! Evenings will typically consist of 60-90 minutes of light garden work (weeding, mulching, cleaning/organizing storage spaces, etc). When available, at the end of the evening volunteers can harvest some produce to take home with them.

Contact Payton at pbzweifel@mail.fhsu.edu with any questions.

FHSU Pork – Half and Whole Hogs to Victoria

FHSU Swine Division has whole or half hogs available for purchase going in **July 11th and August 15th**.

Half for \$115 or \$200 for a whole pig. We deliver to Smoky Hill Meat processing in Victoria for you. All you have to do is pay for processing costs and pick up your frozen whole or half hog. Processing costs vary but usually range between \$100-120 for a half and \$200-240 for a whole. The hog will be processed custom to your liking. Some options you can select are sausage or pork burgers, bacon or fresh side, ham or pork cutlets, how thick, or how many are in a package.

Please email cjsatran@fhsu.edu as Curtis is out of the office frequently. Please leave a name, best phone number, whole or half, and an address.

-Curtis Satran, University Farm (Swine)

SIDLIT 2017

Save the date now for SIDLIT 2017!

The Colleague to Colleague Summer Institute in Distance Learning and Instructional Technology (SIDLIT) centers around pedagogy and instructional technology, and includes presenters and attendees from the K-12 and higher education level.

This is an affordable regional conference that offers some great ideas for teaching with technology, whether face to face, online, or blended.

EVENTS

Invention Day

Thursday, July 6; 10:00am to 12:00pm
Forsyth Library Makerspace Room 060
FREE and open to the public

Participants will receive a small box of miscellaneous items which, along with any small, household item they bring from home (a kitchen gadget that can be taken apart is especially great), can be used to create a unique invention—it's all up to their imagination! Tools available for use.

Parental accompaniment required for children under 10 years old.

Come and Go!

** Sponsored by Science and Mathematics Education Institute

-Cari Rohleder, Project Director of Science and Mathematics Education Institute

Managing Project Teams

Thursday, July 13, & Friday, July 14; 9:00am to 4:00pm
Sternberg Museum

Keeping a project team on schedule and focused on goals is a necessary and challenging skill set. It becomes even more challenging when one does not have full authority over team members, as often occurs in project teams.

Participants in this program will learn practical, hands-on techniques for overcoming major “project team” dysfunctions while developing skill sets in team selection and formation, facilitating team meetings and effectively communicating within the team as well as with sponsors.

This workshop is facilitated by Christina House. Please view the full details on our website: <http://www.fhsu.edu/cob/mdc/Project-Teams/>.

Because we partner with the Wichita State University Center for Management Development, this workshop is not complimentary to FHSU employees. However, you or someone you know, can register online.

Contact Sabrina William at (785) 628-4124 or slwilliam@fhsu.edu if you need assistance with registration.
